# What is Online-safety?

Online Safety stands for safety when we are online.

Online-safety is making sure we are safe on the internet and feel protected when using technology.

## THE INTERNET IS GREAT BECAUSE...

You can play games and have fun;

You can talk to friends and family;

You can learn new things;

You can watch videos and movies.

Online Dangers we can experience Include:

**Cyberbullying** – Some people can be mean to us and can do and say unkind things to us;

**Stranger Danger** - Some people online can lie and pretend to be our friends;

**Online Material** - Some things online are not suitable for children;

**Identity Theft** – Some people will ask for personal information about us.

## When we are online we should:

Is it true?

Is it helpful?

Is it illegal?

Is it necessary?

Is it kind?

## Who is responsible for E-safety in our school?

Mrs Dorban and  
Mrs Campbell-Davis
